

README: Sue@GoldenTigerRealtors Website

Introduction:

Welcome to the Sue@GoldenTigerRealtors website README file. This document provides an overview of the website's features, functionality, and setup instructions.

Description:

Sue@GoldenTigerRealtors is a professional real estate website designed for "Golden Tigers Realtors," showcasing the expertise and services of Sue. The website allows users to explore available properties, learn about the agency, and get in touch with Sue for inquiries and assistance.

Features:

1. **Home Page:** Offers a warm welcome, introduction to the agency, and quick navigation to other sections.
 2. **About Me:** Provides detailed information about Sue, her mission, and her expertise in the real estate industry.
 3. **Properties:** Lists available properties with detailed descriptions, images, and specifications. Users can browse and view property details.
 4. **Contact Sue:** Includes contact information and a form for users to send inquiries directly to Sue.
 5. **Sign Up/Login:** Allows users to create an account or log in to access personalized features.
 6. **Property Details:** Detailed view of individual properties with image galleries and key information.
 7. **Inquiry Form:** A dedicated form for users to inquire about specific properties.
 8. **Responsive Design:** Ensures the website looks and functions well on desktops, tablets, and mobile devices.
-

Setup:

To set up the Sue@GoldenTigerRealtors website locally, follow these steps:

1. **Clone the Repository:** Clone the repository to your local machine using the following command:

```
git clone https://github.com/yourusername/sue-golden-tiger-realtors.git
```

2. **Navigate to Directory:** Enter the project directory: `cd sue-golden-tiger-realtors`
3. **Open in Browser:** Open the `index.html` file in your preferred web browser to view the website.

4. **Customization:** Customize the website content, styles, and functionality to suit your preferences or business needs.
